

The Georgia Department of Education  
Division of Special Education Services and Supports presents:

# Facilitated Individualized Education Program (FIEP) Team Meetings

## What is a FIEP Team meeting?

An IEP Team Meeting lead by a facilitator and designed to be a collaborative dispute prevention and resolution process used when members of an IEP Team agree that the presence of a third party would help facilitate communication and problem solving. IEP Facilitators can be useful in various ways, including when there is a history of communication challenges or a meeting is expected to be particularly complex or controversial.

### Who

- Any Georgia school district participating in the GaDOE's FIEP Team meeting program\*

### How

- Submit a completed request form to the GaDOE
- Request forms are on the participating school districts' websites

### Why

- To have a trained individual create an environment in which the IEP Team members can listen to each others' point of view and work together to create a quality, student-focused IEP
