

The Pierce County Board of Education offers career and technical education programs at Pierce County High School and Pierce County Middle School. These programs are designed to prepare youth for a broad range of employment and further education and are offered under the guidance of certified teachers. The following is a list of programs being offered this year and the criteria for admission.

Pathways offered at Pierce County High School:

Ag Mechanics Systems, Animal Science, Audio/Video Technology & Film, Automobile Maintenance & Light Repair, Business & Technology, Computer Science, *Early Childhood Education, Forestry, Engineering Technology, Nutrition & Food Science, *Teaching as a Profession, Timber Harvesting, *Therapeutic Services/Patient Care, and Welding (*these pathways require a background check for admission to clinical experiences; Patient Care also requires a social security card for admission to Certified Nursing Assistant testing).

Programs offered at Pierce County Middle School:

Agriculture Education, Business Education, Computer Programming

All career and technical education programs follow the system's policies of nondiscrimination on the basis of race, color, religion, national origin, sex, age, and disability in all programs, services, activities, and employment. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation.

For general information about these programs, contact:
